MEMORANDUM FOR: Deputy Director for Administration

FROM: John M. Ray  
Director of Logistics

SUBJECT: Suggestions for a Special Award

REFERENCE: Mtpl Adse Memo from DDA, dated 2 October 1986,  
Same Subject (DDA 86-1671)

1. In referent memorandum you requested my thoughts regarding possible career discipline awards for which DA personnel would be strong contenders, but which were also broad enough to permit Agency-wide submissions (similar to the DDS&T proposal for awards for an Engineer of the Year and a Scientist of the Year).

2. I'd like to suggest consideration of awards for the Administrator of the Year and Support Generalist of the Year. I believe these categories are sufficiently broad to allow for submissions Agency-wide.

3. In addition, I've received suggestions that you consider establishing a similar program to recognize individuals within DA Offices for their contributions by giving awards for the Communications Officer of the Year, Finance Officer of the Year, Logistics Officer of the Year, etc. Due to the limited scope of these awards, the cash stipend could be less than the proposed DDS&T Agency-wide awards.
